Request to Modify Conditions

CAUSE

On January 2, 2005 the offender's five year term of supervised release commenced. Since that date he has submitted three positive urine tests for THC, admitted marijuana use, failed to submit to drug testing on five occasions and has failed to maintain gainful employment. By requesting a modification of his existing conditions to include a public law placement at CH Inc; it is an attempt to get his attention and impress upon him the seriousness of supervision and the Court's dim view of these violations. Additionally, it is hopeful the offender will use this opportunity to obtain employment and it will provide some stability to his life.

Respectfully submitted,

U.S. Probation Officer
